'Be the very best you can be'

Admissions Policy 2022/23

SLT responsible:	Principal
Last reviewed:	January 2021
Ratified by Governors:	11 February 2021

Hailsham Community College Academy Trust Admissions Policy for the 2022/23 School Year

The following are the admission arrangements agreed by the governing body of Hailsham Community College Academy Trust for the 2022-2023 school year.

Hailsham Community College Academy Trust is its own admissions authority. We have adopted the same admissions criteria as the local authority regarding allocating available spaces.

The admission arrangements for the 2022-2023 school year are therefore as follows:

1. Admission Number

The Governors have agreed planned admissions numbers (PAN) as follows:

- 300 available places at Year 7
- 60 available places at Year R

Application process

To apply for a place at the school in Year 7 and Reception, an application must be made direct to East Sussex County Council. The common application form for both Year 7 and Reception will be available from September each year. Parents can apply online via the East Sussex County Council website.

<https://admissions.eastsussex.gov.uk/enrol/website/default.aspx>

Paper applications can be obtained directly from East Sussex County Council Admissions Team using the contact details below:

The Admissions Team
Children's Services
PO Box 4, County Hall,
St Anne's Crescent,
Lewes, East Sussex,
BN7 1SG
Tel: 0300 3309472
Email: admissions@eastsussex.gov.uk

The closing date for Year 7 applications is 31st October 2021.

The closing date for Year R applications is 15th January 2022.

All applications for all year groups are subject to the County Council's co-ordinated schemes.

Hailsham Community College is an All-Through School. This means that children attending Year 6 (in September 2020) in the Primary Phase will have an automatic entitlement to transfer to Year 7 in the Secondary Phase (September 2021).

We will assume that all Year 6 students will be moving into the Secondary Phase unless we are advised in writing by the parent/carer.

The first All-Through Primary to Secondary transfer cohort will happen from 2026-2027 academic year.

2. Late Applications

Any application that arrives after the closing dates published above for entry in September 2021 will be dealt with after the main allocations have been made. These late applications will be placed on the waiting list for the relevant year group. At this point the oversubscription criterion applies and the applicant at the top of the waiting list will be offered a place should one become available.

3. Oversubscription Criteria

If there are more applications than places available at the school, the criteria below will be used to determine which children are offered the available spaces, and will be applied in the following order of priority:

1. Looked after children and children who were looked after but ceased to be so because they were adopted (or subject to residence orders or special guardianship orders) immediately following being looked after.

2. Children who will have a brother or sister at the school (or linked infant or junior school) at the time of admission and who live at the same address, within the pre-defined community area*

The definitions of 'sibling' and community areas are below.

3. Children wishing to transfer between a linked infant and junior school (as per schools listed in the admission booklet).

4. Other children living within a pre-defined community area

Each home address within the county falls within a community area although living within the community area does not guarantee a place. The admission booklet 'apply for a school 2020/21' shows details of the community areas for each school.

5. Children who will have a brother or sister at the school (or linked infant or junior school) at the time of admission who live at the same address, outside the pre-defined community area. *

The definition of sibling is as shown below.

6. Other children living outside the pre-defined community area.

Tiebreaker

- In the event of oversubscription within any category, place allocation will be decided by prioritising applications on the basis of home to school distance measured in a straight line (as the crow flies). This will be measured from the delivery point (supplied by Royal Mail) in the school to the delivery point in the family home. For split site schools, we will measure to the site where the child will attend for the majority of lessons.
- In the event that applicants cannot be prioritised using the tie-breaker above because the distance measurements are the same, the Authority will use random allocation to decide which children will be offered the remaining places. This will be done electronically using the Authority's admissions software.

**** Children who have a brother or sister who joined the school prior to 1 September 2017 and who is still on roll will be admitted under the previous criteria which gave priority to brothers and sisters regardless of whether they live in the pre-defined community area or not.***

Twins and children from multiple births (all community and voluntary controlled schools).

Where the admission of both twins or all siblings from a multiple birth would cause the school to rise above its Planned Admission Number, both twins or all of the siblings will be admitted. Where the admission of the additional child or children from multiple births to an infant class would result in the PAN rising above 30 (or multiples of 30), the additional child/children would be exceptions to the Infant Class Size legislation throughout the infant phase or until the number in the year group reduced to the PAN.

Definitions used by East Sussex County Council:

Community Area: each home address in the county falls within a community area for a school (or schools) although living in a community area does not guarantee a place. Please see the maps on pages 24, 26, 28 and 45 of the booklet 'Apply for a school 2022/2023 for information as to which areas are applicable to each school.

Looked After Child: a 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function at the time of making an application to a school (see section 22(1) of the Children Act 1989. Children accommodated under section 20 of the Children Act 1989 are included in this priority. Previously looked after children are children who were looked after but ceased to be so because they were adopted or became subject to a Child Arrangements Order or special guardianship order.

Sibling: for admissions purposes, children are siblings if they are full/half or adoptive/foster brother or sister living in the same household. We do not include step-children for the purposes of school admissions i.e. two families coming together.

Waiting lists

Details of any unsuccessful applicants will be held on a waiting list which will be kept in the order of the oversubscription criteria above. This will be held until the end of the Autumn Term when the list will be cleared.

In-Year Admissions

From 1 September 2022, applications for in-year admissions to all year groups will be dealt with by Hailsham Community College Academy Trust and parents/carers should contact Hailsham Community College Academy Trust directly.
