Statement of intent

Hailsham Community College aims to resolve all complaints at the earliest possible stage and is dedicated to continuing to provide the highest quality of education possible throughout the procedure.

The Complaints Procedures Policy has been created to deal with any complaint against a member of staff or the College as a whole, relating to any aspects of the College or the provision of facilities or services.

Any person, including a member of the public, can make a complaint about the provision of facilities or services that the College provides. This policy outlines the procedure that the complainant and College must follow.

Once a complaint has been made, it can be resolved or withdrawn at any stage.

The Head of School will be the first point of contact when following the complaints procedure.

1. Legal framework

1.1. This policy has due regard to statutory legislation, including, but not limited to, the following:

- The Education Act 2002
- The Freedom of Information Act 2000
- The Immigration Act 2016
- The Equality Act 2010
- The General Data Protection Regulation (GDPR)
- The Data Protection Act 2018
- The Education (Independent School Standards) Regulations 2014

1.2. This policy also has due regard to guidance including, but not limited to, the following:

- DfE 'Best Practice Advice for School Complaints Procedures 2016' 2016
- Education and Skills Funding Agency (ESFA) 'Creating an academy complaints procedure' 2015
- HM Government 'Code of practice on the English language requirement for public sector workers' 2016

2. Definition

2.1. For the purpose of this policy, a "complaint" can be defined as 'an expression of dissatisfaction' which can be regarding actions taken or a perceived lack of action.

2.2. Complaints can be resolved formally or informally dependent on the complainant's choice.

2.3. A concern can be defined as 'an expression of worry or doubt' for which reassurance is sought.

2.4. Any complaint or concern will be taken seriously, whether formally or informally, and the appropriate procedures shall be taken.

NB. For the purpose of this policy, "concerns" will be classed and addressed as complaints. Any further references to "complaints" will include "concerns".

3. Roles and responsibilities

3.1. The complainant will:

- Co-operate with the College in seeking a solution to the complaint.
- Express the complaint and their concerns in full at the earliest possible opportunity.
- Promptly respond to any requests for information or meetings.
- Ask for assistance as needed.
- Treat any person(s) involved in the complaint with respect.

3.2. The complaints co-ordinator will:

- Ensure that all parties involved in the complaint are fully updated throughout each stage of the procedure.
- Guarantee that all parties involved in the procedure are aware of any relevant legislation, including the Equality Act 2010, GDPR, Data Protection Act 2018 and Freedom of Information Act 2000.
- Keep up-to-date records throughout the procedure.
- Liaise with all parties involved to ensure the complaints procedure runs smoothly, including the Head of School, clerk and chair of governors.
- Be aware of issues regarding sharing third party information.
- Understand the complainant's need for additional support, including interpretation support, and will be aware of any issues concerning this.

3.3. The investigator is involved in stages one and two of the procedure. Their role includes:

- Providing a sensitive and thorough interviewing process of the complainant in order to establish what has happened and who is involved.
- Considering all records, evidence and relevant information provided.
- Interviewing all parties that are involved in the complaint, including staff and children.
- Analysing all information in a comprehensive and fair manner.
- Liaising with the complainant and complaints co-ordinator to clarify an appropriate resolution to the problem.
- Identifying and recommending solutions and courses of actions to take.
- Being mindful of timescales and ensuring all parties involved are aware of these timescales.
- Responding to the complainant in a clear and understandable manner.

3.4. The panel chair will:

- Ensure that minutes of the meeting are taken.
- Explain the remit of the panel to the complainant.
- Ensure that all issues are addressed and that outcomes are reached based on facts and evidence.
- Help to put at ease and console individuals involved who are not used to speaking at such hearings, particularly any children involved.
- Conduct the hearing in an informal manner, ensuring that everyone is treated with respect and courtesy.

- Ensure that the room's layout and setting is informal and non-adversarial, yet still sets the appropriate tone.
- Confirm that no member of the panel has previously been involved in the earlier stages of the procedure or has an external interest in the outcome of the proceedings.
- Give both the complainant and the College the opportunity to state their case and seek clarity without undue interruption.
- Provide copies of any written material or evidence to everyone in attendance of the meeting, ensuring that everyone has seen the necessary material.
- Organise a short adjournment of the hearing if required.
- Continuously liaise with the clerk and complaints co-ordinator to ensure the procedure runs smoothly.
- Help to provide the support necessary where the complainant is a child.

3.5. All panel members will be aware that:

- The review panel hearing is independent and impartial.
- No individual with prior involvement in the complaint, or the circumstances surrounding it, is permitted to sit on the panel.
- The aim of the panel is to achieve a reasonable resolution and, ultimately, attain reconciliation between the parties involved.
- Reconciliation between the College and complainant is not always achievable, and that it may only be possible to establish facts and make recommendations to reassure the complainant that their case has been taken seriously.
- The panel can:
 - Dismiss or uphold the complaint, in whole or in part.
 - Decide on appropriate action to be taken.
 - Recommend changes that the College can make to prevent reoccurrence of the problem.
- Complainants may feel nervous or inhibited in a formal setting and, therefore, the proceedings should be as welcoming as possible.
- When a child is present at the hearing, extra care needs to be taken to ensure that the child does not feel intimidated, as well as ensuring the child's view is represented equally.

3.6. The panel clerk will:

- Continuously liaise with the complaints co-ordinator.
- Record the proceedings.

- Set the date, time and venue of all hearings, ensuring that this is appropriate, convenient and accessible to all parties involved.
- Collate all written material or evidence involved and send it to the parties involved in timely advance of the hearing.
- Greet all parties as they arrive at the hearing.
- Ensure that the minutes of the panel hearing are circulated.
- Notify the relevant parties of the panel's decision and any other actions to be taken.

4. Making a complaint

- 4.1. Complaints are not restricted to parents of attending pupils. The College will consider all complaints.
- 4.2. The College will ensure that all aspects of the complaints procedure are:
 - Easily accessible and publicised.
 - Simple to understand and put into practice.
 - Impartial and fair to all parties involved.
 - Respectful of confidentiality duties.
 - Continuously under improvement, using information gathered during the procedure to inform the College's SLT.
 - Fairly investigated, by an independent person when necessary.
 - Used to address all issues in order to provide appropriate and effective responses where necessary.
- 4.3. Complaints are expected to be made as soon as possible after an incident arises in order to amend the issue in an appropriate timescale.
- 4.4. The College upholds a three-month time limit in which a complaint can be lodged regarding an incident.
- 4.5. Complaints made outside this time limit will not be automatically refused and exceptions will be considered.
- 4.6. In the case of any timescales changing, all parties involved will be informed of the changes in a timely manner.
- 4.7. Complaints should be made using the appropriate channels of communication, including the use of the Complaints Procedure Form.
- 4.8. All complaints shall be considered whether made in person, by telephone, in writing or electronically via email.

- 4.9. A complaint can progress to the next stage of the procedure even if it is not viewed as “justified”. All complainants are given the opportunity to fully complete the complaints procedure.
- 4.10. Any complaint made against the Head of School shall be initially dealt with by the Principal.
- 4.11. Any complaint against the Principal shall be dealt with by the Chair of Governors.
- 4.12. Any complaint made against the Chair of Governors or any other member of the governing board should be made in writing to the clerk to the governing board.

5. Complaints procedure

Stage one – Informal concern made to a member of staff

- 5.1. A complaint may be made in person, by telephone or in writing.
- 5.2. The member of staff can discuss the concern with the Head of School or complaints co-ordinator in order to seek support.
- 5.3. In order to prevent any later challenge or disagreement over what was said, brief notes of meetings and telephone calls are kept and a copy of any written response is added to the record.
- 5.4. If the concern is about the Head of School, the complaints co-ordinator should be informed and will need to handle the complaint. The complainant can then be referred to the Principal.
- 5.5. If the concern is about the Principal, the complaints co-ordinator should be informed and will need to handle the complaint. The complainant can then be referred to the Chair of Governors.
- 5.6. In case a complaint is made initially to a governor, the complainant should be referred to the appropriate person. The governor in question should not act alone on a complaint outside the procedure; if they do, they cannot be involved if the complaint is subject to a hearing at a later stage of the procedure.
- 5.7. Within 15 College days, the complainant and the relevant member of staff should discuss the issue in a respectful and informal manner to seek a mutual resolution.
- 5.8. At this stage, the complainant will be asked what they think might resolve the issue – any acknowledgement that the College could have handled the situation better is not an admission of unlawful or negligent action.
- 5.9. If an appropriate resolution cannot be sought at this informal level, or if the complainant is dissatisfied with the outcome following the initial discussions, the complainant may wish to proceed to the next level of the procedure.

Stage two – Formal complaint made to the Head of School

- 5.10. Stage two of the process will be completed within 15 College days. Where the situation is recognised as complex, and it is deemed to be unable to be resolved within

this timescale, the Head of School will contact the complainant to inform them of the revised target date via a written notification.

- 5.11. An appointment with the Head of School should be made, as soon as reasonably practical, in order to avoid any possible worsening of the situation.
- 5.12. If the complaint is against the Head of School, the complainant will initially need to write, in confidence, to the Principal. The chair will seek to resolve the issue informally before moving directly to stage three of the procedure.
- 5.13. If the complaint is against the Principal, the complainant will initially need to write in confidence, to the Chair of Governors. The Chair of Governors will seek to resolve the issue informally before moving directly to stage three of the procedure.
- 5.14. Where there are communication difficulties, the complaint may be made in person or via telephone.
- 5.15. In order to prevent any later challenge or disagreement over what was said, brief notes of meetings and telephone calls are kept and a copy of any written response is added to the record.
- 5.16. In terms of a complaint being made against a member of staff, the Head of School will discuss the issue with the staff member in question. Where necessary, the Head of School will conduct interviews with any relevant parties, including witnesses and children, and take statements from those involved.
- 5.17. All discussions shall be recorded by the Head of School and findings and resolutions will be communicated to the complainant either verbally or in writing.
- 5.18. Once all facts are established, the Head of School shall contact the complainant in writing with an explanation of the decision.
- 5.19. Any further action the College plans to take to resolve the issue will be explained to the complainant in writing.
- 5.20. If the complainant is not satisfied with the outcome suggested, the procedure will progress to stage three.

Stage three – Investigation by the Principal

- 5.21. The complainant should submit any complaint in respect of the investigation in writing (or via an alternative method if necessary) to the Principal.
- 5.22. The Principal will carry out an investigation and consider all available evidence.
- 5.23. The complainant and the Head of School will be informed of the outcome within 20 College days of the Principal receiving the complaint.
- 5.24. If the complainant is not satisfied with the manner in which the process has been followed, considers the decision to be perverse, or believes that the Principal has acted unreasonably, they may request that the Chair of Governors reviews the complaint (stage four).

Stage four – Review by the chair of governors

- 5.25. The complainant should submit any complaint in respect of the investigation in writing (or via an alternative method if necessary) to the Chair of Governors.
- 5.26. The Chair of Governors reviews the investigation and considers all available evidence.
- 5.27. The complainant and the Principal will be informed of the outcome within 20 College days of the Chair of Governors receiving the complaint.

If the complainant is not satisfied with the manner in which the process has been followed, considers the decision to be perverse, or believes that the chair has acted unreasonably, they may request that the governing board reviews the complaint (stage five).

Stage five – Complaints appeal panel (CAP)

- 5.28. Following receipt of a stage two outcome, the complaint should be made in writing to the Chair of Governors within 10 College days.
- 5.29. Where there are communication difficulties, the complaint may be made in person or via telephone.
- 5.30. In order to prevent any later challenge or disagreement over what was said, brief notes of meetings and telephone calls are kept and a copy of any written response is added to the record.
- 5.31. Written acknowledgement of the complaint will be made within three College days. This will inform the complainant that a CAP will hear the complaint within 20 College days.
- 5.32. The Chair of Governors, or another nominated governor, will convene a CAP comprising:
 - Three people not involved in the complaint, one of whom is independent of the management and running of the College. Governors are not eligible to be independent panel members.
- 5.33. Five days' notice will be given to all parties attending the CAP, including the complainant.
- 5.34. Prior to the hearing, the Chair of Governors will have written to the complainant informing them of how the review will be conducted. The Principal or Head of School will also have a copy of this letter.
- 5.35. At the hearing, all participants will be given the opportunity to put their case across and discuss any issues.
- 5.36. The CAP will consider issues raised in the original complaint and any issues which have been highlighted during the complaints procedure.
- 5.37. The meeting should allow for:

- The complainant to be present and accompanied at the hearing if they wish.
 - The complainant to explain their complaint and the Principal to explain the reasons for their decision.
 - The complainant to question the Principal, and vice versa, about the complaint.
 - Any evidence, including witnesses who have been prior approved by the chair of the CAP, to be questioned.
 - Members of the CAP to question both the complainant and the Principal or Head of School.
 - Final statements to be made by both parties involved.
- 5.38. The complainant will receive a written response explaining the panel's findings and recommendations within 15 College days. This letter will also explain whether there are any further rights of appeal and to whom they need to be addressed.
- 5.39. Where relevant, the person complained about will receive a summary of the panel's findings and recommendations.

Final stage – Appeal

- 5.40. If a complainant has exhausted the academy's complaints procedure, they will be advised that they can submit a complaint to the ESFA using the online form or in writing to:

Ministerial and Public Communications Division
 Department for Education
 Piccadilly Gate
 Store Street
 Manchester
 M1 2WD

6. Interviewing witnesses

- 6.1. When interviewing children in order to gather information regarding a complaint, the interview should be conducted in the presence of another member of staff or, in the case of serious complaints, e.g. where the possibility of criminal investigation exists, in the presence of their parents.
- 6.2. The College will ensure that the conduction of interviews does not prejudice an LA designated officer's (LADO), or police, investigation.
- 6.3. The College understands the importance of ensuring a friendly and relaxed area which is free from intimidation.
- 6.4. All children interviewed will be made fully aware of what the interview concerns and their right to have someone with them.
- 6.5. Staff are allowed a colleague to support them at their interview. The colleague must not be anyone likely to be interviewed themselves, including their line manager.
- 6.6. The interviewer will not express opinions in words or attitude, so as to not influence the interviewee.
- 6.7. The interviewee will sign a copy of the transcription of the interview.

7. Recording a complaint

- 7.1. A written record shall be kept of any complaint made, whether made via phone, in person or in writing, detailing:
 - The main issues raised, the findings and any recommendations.
 - Whether the complaint was resolved following an informal route, formal route or panel hearing.
 - Actions taken by the College as a result of the complaint (regardless of whether the complaint was upheld).
- 7.2. All records are made available for inspection on the College premises by the proprietor and the Principal or Head of School.
- 7.3. The College holds the right to use recording devices, where appropriate, to ensure all parties involved are able to review the discussions at a later date.
- 7.4. Where there are communication difficulties or disabilities, the College may provide recording devices to ensure the complainant is able to access and review the discussions at a later point.
- 7.5. Details of any complaint made shall not be shared with the entire governing board unless completely necessary, in case an independent panel is needed to hear the complaint.
- 7.6. Complainants have a right to access copies of these records under the GDPR and the Freedom of Information Act 2000.
- 7.7. The College will hold all records of complaints centrally. Correspondence, statements and records relating to individual complaints are kept confidential except where the Secretary of State or a body conducting an inspection requests to access them.

8. Complaints not covered by this procedure

- 8.1. Complaints regarding the following topics should be directed to the LA:
 - Statutory assessments of SEND
 - College re-organisation proposals
 - Matters which may require a child protection investigation
 - Admissions to Schools
- 8.2. Complaints concerning admissions will be directed to the appropriate admissions authority.
- 8.3. Complaints about children being excluded from the College should be dealt with by following the process explained at: <https://www.gov.uk/school-discipline-exclusions/exclusions>.
- 8.4. The College has an internal whistleblowing procedure for all employees and voluntary staff. Complaints of this nature should not be addressed using this complaints procedure. These concerns can be directed to Ofsted by telephone on: 0300 123 3155 or via email at: whistleblowing@ofsted.gov.uk.

- 8.5. Staff grievances and disciplinary procedures will be dealt with using the College's internal grievance procedure. In these cases, complainants will not be informed of the outcome of any investigations.
- 8.6. This complaints procedure is not to be used when addressing any complaints made about services provided by a third party who may use the College premises or facilities. All complaints concerning this should be directed to the service provider.

9. Exceptional circumstances

- 9.1. If the complaint suggests that a child has been at risk of significant harm through violence, emotional abuse, sexual harassment or neglect, it may be referred without further notice to Children's Social Care and/or to the LA.
- 9.2. If a social services authority decides to investigate a situation, the Principal or Head of School or governing board may postpone the complaints procedure.
- 9.3. Where a matter can be resolved through a legal appeal, it will not be considered as a formal complaint. The key areas are: admissions decisions, certain decisions relating to formal assessment of SEND, and decisions to permanently exclude a child.

10. Serial and persistent complainants

- 10.1. The College will act in a manner they believe to be appropriate when dealing with an individual who consistently makes the same complaints or who continuously asks the College to reconsider their position.
- 10.2. If a complainant attempts to re-open an issue which has previously fully completed the complaints procedure, the chair of the governing board will inform the complainant that the matter is now closed.
- 10.3. If the complainant contacts the College regarding the same issue again, the complaint may be classed as 'serial' or 'persistent' and the College does not have an obligation to respond.
- 10.4. The College must ensure that a complaint is not classed as 'serial' before they have fully completed the complaints procedure.
- 10.5. The College will not take the decision to stop responding to an individual lightly. The College will ensure that:
 - They have previously taken every reasonable step to address the problem.
 - They have provided the complainant with a statement of their position.
 - The complainant is contacting the College repeatedly with the same complaint.
- 10.6. If the College believes that the complainant is continuously contacting the College to cause disruption or inconvenience, or if the complainant is being abusive or threatening, the College has the right to not respond to the correspondent.
- 10.7. Once the College decides to no longer respond to a complainant, the individual will be informed of this decision in writing.
- 10.8. If the College finds it difficult to deal with a complainant due to their unreasonable behaviour, then their complaint can be directed to the LA.

10.9. The complainant has the right to a third-party representative, such as the Citizens' Advice Bureau, throughout the complaints procedure.

10.10. Any new complaint made by a 'serial' complainant will be responded to.

10.11. Complainants hold the right to refer their complaint to their local MP. This would not make the individual a 'serial' or 'persistent' complainant.

11. Barring from the premises

11.1. College premises are private property and therefore any individual can be barred from entering the premises.

11.2. If a parent's behaviour is cause for concern, a College can ask the individual to leave the premises.

11.3. The Head of School will notify the parties involved via writing, explaining that their implied licence for access to the premises has been temporarily revoked subject to any representations that the individual may wish to make.

11.4. The individual involved will be given the opportunity to formally express their views regarding the decision to bar them.

11.5. This decision to bar will be reviewed, taking into account any discussions following the incident.

11.6. If the decision is made to continue the bar, the individual will be contacted in writing, informing them of how long the bar will be in place.

11.7. Anyone wishing to make a complaint regarding a barring order can do so in writing, including email, to the Head of School, Principal or Chair of Governors.

11.8. Once the College's complaints procedure is completed, the only remaining avenue of appeal is through the Courts.

12. Standard of fluency complaints

12.1. As members of a public authority, all staff are subject to the fluency duty imposed by the Immigration Act 2016, which requires staff members to have an appropriate level of fluency in English in order to teach pupils.

12.2. The College is free to determine the level of spoken communication necessary in order for staff members to develop effective performance, but it will be matched to the demands of the role in question.

12.3. The College will be satisfied that an individual has the necessary level of fluency appropriate for the role they will be undertaking, whether this is an existing or potential new member of staff.

12.4. If a member of the College community feels that a staff member has insufficient proficiency in spoken English for the performance of their role, they are required to follow the complaints procedure outlined in section 5 of this policy.

- 12.5. For the purpose of this policy, a “legitimate complaint” is one which is about the standard of spoken English of a member of staff; complaints regarding an individual’s accent, dialect, manner or tone of communication are not considered legitimate complaints.
- 12.6. All legitimate complaints regarding the fluency duty will be handled in line with the processes outlined in this policy.
- 12.7. In addition to the processes outlined in this policy, the College will assess the merits of a legitimate complaint against the necessary standard of spoken English fluency required for the role in question.
- 12.8. To assess the merits, the College will undertake an objective assessment against clear criteria set out in the role specification or, against the level of fluency descriptors relevant to the role in question.
- 12.9. If the complaint is upheld, the College will consider what action is necessary to meet the fluency duty; this may include:
 - Specific training
 - Specific re-training
 - Assessment
 - Re-deployment
 - Dismissal
- 12.10. Appropriate support will be provided to staff to ensure that they are protected from vexatious complains and are not subjected to unnecessary fluency testing.
- 12.11. Records of complaints regarding fluency will be kept in accordance with the processes outlined in section 7 of this policy.

13. Role of the school complaints unit (SCU)

- 13.1. If a complainant remains dissatisfied once the complaint procedure has been completed, they have the right to refer their complaint to the Secretary of State.
- 13.2. The Secretary of State will only intervene when they believe that the governing board has acted unlawfully or unreasonably.
- 13.3. The SCU will not overturn a College’s decision about a complaint except in exceptional circumstances, such as the College acting unlawfully.
- 13.4. When making a final decision about a complaint, the College reserves the right to seek advice from the SCU on whether they are acting reasonably and lawfully; however, they will not be able to advise on how to resolve the complaint.

14. Availability

- 14.1. A copy of this Complaints Procedures Policy will be made available on request. It will also be published on the College website, as recommended by the ESFA.

15. Reviewing the procedure

- 15.1. The complaints procedure will be reviewed annually, taking into account the latest guidance issued by the DfE.

- 15.2. Responsibility for reviewing the procedure belongs to a committee of the governing board, an individual governor or the Principal or Head of School.
- 15.3. All projected review dates will be adhered to.
- 15.4. Information gathered through reviewing the complaints procedure will be used to continuously improve and develop the process.
- 15.5. The monitoring and reviewing of complaints will be used to help evaluate the College's performance.

Appendix 1

Policy for Unreasonable Complainants

Hailsham Community College is committed to dealing with all complaints fairly and impartially, and to providing a high-quality service to those who complain. We will not normally limit the contact complainants have with the College; however, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

The College defines unreasonable complainants as ‘those who, because of the frequency or nature of their contacts with the College, hinder our consideration of their or other people’s complaints’.

A complaint may be regarded as unreasonable when the person making the complaint:

- Refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance.
- Refuses to co-operate with the complaints investigation process while still wishing their complaint to be resolved.
- Refuses to accept that certain issues are not within the scope of a complaints procedure.
- Insists on the complaint being dealt with in ways which are incompatible with the adopted complaints procedure or with good practice.
- Introduces trivial or irrelevant information which the complainant expects to be taken into account and commented on, or raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales.
- Makes unjustified complaints about staff who are trying to deal with the issues and seeks to have them replaced.
- Changes the basis of the complaint as the investigation proceeds.
- Repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed).
- Refuses to accept the findings of the investigation into that complaint where the College’s complaints procedure has been fully and properly implemented and completed including referral to the DfE.
- Seeks an unrealistic outcome.
- Makes excessive demands on College time by frequent, lengthy, complicated and stressful contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with.

A complaint may also be considered unreasonable if the person making the complaint does so either face-to-face, by telephone or in writing or electronically:

- Maliciously
- Aggressively
- Using threats, intimidation or violence
- Using abusive, offensive or discriminatory language
- Knowing it to be false
- Using falsified information
- Publishing unacceptable information in a variety of media such as in social media websites and newspapers

Complainants should limit the numbers of communications with a College while a complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text) as it could delay the outcome being reached.

Whenever possible, the Principal, Head of School or Chair of Governors will discuss any concerns with the complainant informally before applying an 'unreasonable' marking.

If the behaviour continues, the Head of School will write to the complainant explaining that their behaviour is unreasonable and asking them to change it. For complainants who excessively contact the College causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will usually be reviewed after six months.

In response to any serious incident of aggression or violence, the concerns and actions taken will be put in writing immediately and the police informed. This may include banning an individual from the premises.
