

HAILSHAM COMMUNITY COLLEGE ACADEMY TRUST

'Be the very best you can be'

Dear Parent/Carer

Thank you for your engagement with the Asymptomatic COVID-19 testing in schools. Staff in College have spent the week planning for this to be carried out as efficiently as possible. If you have not yet given your consent and you wish your child to take part, please log on to Edulink and follow the 'Forms' icon to be taken to the consent form.

I would like to thank all of the parents/carers that have volunteered their time to assist with this; it will truly be a community effort.

The detailed timetable for each mentor group to come into College for their first test is below. Please ensure that your child arrives at College at the time designated for their mentor group. Subsequent tests will be carried out during the college day, timetabled in a similar way to photographs.

The FAQ for the testing programme has also been updated following parental queries and is attached. There is also a 'how to' information leaflet on testing and a short infographic on the in-college procedure for the first test for you to share with your child.

If you have any further questions or concerns please do not hesitate to contact us at hcc@hccat.net

Yours faithfully

Sue Wilkinson
Business Manager
