Dear Parents and Carers,

The first week of phase 2 reopening has again been very successful. The children's understanding of the current situation has been astonishing. It is clear that the children are tired with how much harder they have needed to concentrate but this has not affected the children's behaviour at all. They have been amazing!

Learning in School

The children have been doing some fantastic work in school. They have loved learning about rainforest animals and their art work has really brightened the school.

It was lovely to have our second virtual dance lesson with Mrs Ru this week. The children enjoyed seeing her on the big screen and dancing along to their favourite songs.

Reopening

Below are some updates regarding the reopening process and changes for next week:

- More children will be returning to school so bubble sizes will be increasing to 12.
- Children will all be using the field at lunch times together, we have trialed this and the children are able to distance effectively.

Home Learning

Miss Hamilton has been overseeing the home learning and has been impressed with what she has seen. Some fantastic work on our 'Amazing Animals' topic!

Please can I remind parents that we understand the difficulties of home learning but your child could potentially fall behind if your child is not in school and home learning is not completed. If you need support contact the school and we will discuss how we can help.

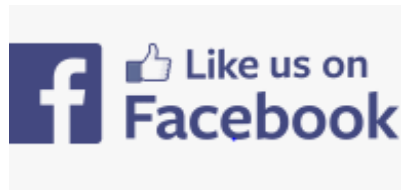

Have a great weekend! Mr Redman
