Dear Parents and Carers,

We've had a fantastic first week back at HCCPA! I wanted to say a big thank you to all the parents for your understanding and 'compliance' with our new Covid-19 procedures. Year 1 children have entered and exited the school perfectly and we are very grateful to Reception parents for changing your schedules to accommodate the school visits.

### Reception School Visits

This first week, Reception children have not been in school but they have been having school visits in place of the usual home visits we would do prior to their start.

I have been so impressed with every child I've been lucky enough to meet and it's great to hear how excited they all are about starting school. We are just as excited about having our new Starfish and Jellyfish join us at HCCPA!

I look forward to meeting and chatting to all the new children and hopefully, parents next week.

### First Week Back

I always knew our 2019-20 Reception children were ready for Year 1 and this week they have proved it. The children have come back to new challenges and higher expectations and have risen to them all!

There has been a lot of fun and learning happening in Stingray and Seahorse classes. The children even went on a walk and came across a space rocket on the daily mile! There have been no sightings yet of 'little green men' but we've all been keeping a close eye out!

### Pre-school Opening

It has been lovely to see children in the Pre-school which Miss Attwater (Pre-school Manager) has named 'Turtles'.

The children have been exploring and enjoying all that Turtles has to offer.

### INSET - 28th September

On the 28th September we will be having an INSET day so children will not be in school. I apologise this is so early in the school year but due to the current situation some crucial staff training needs to happen.

Have a great weekend! Mr Redman
