Dear Parents and Carers,

Another great week at HCCPA, the children are working so hard and are learning more and more every day. I can't believe the progress of children in Year 1 and how settled the exception children are.

### Instrument Lessons

On Monday the children will be having a visit from our new music teacher, Tessa Liley. Tessa will be showing the children the two instruments children have lessons in at HCCPA from next term. These instruments are the Violin and the Keyboard.

Reception children will be able to start learning after Christmas in Term 3 and Year 1 will be able to learn after half term in Term 2.

### Year 1 Sensory Room Project and donations of materials

Year 1 are collecting materials for a Science project next Tuesday. The children have been designing and will now create sensory bottles and panels to go into our sensory room.

If you have any of these things around the house that you would be willing to donate, please send them in on Monday and Tuesday!

- Food colouring
- Shells
- Buttons
- Straws
- Sponges (not used)
- Green scrubbing sponges (scouring pads)
- Small stones
- Soft material (silky scarf, smooth cloths, microfibre cloth)
- Tin foil
- Pom poms
- Feathers
- Shower puff
- Christmas present bows
- Small finger nail brushes

### Extra-Curricular Clubs

In Term 2 HCCPA's extra curricular clubs will be starting. Details will come out in separate letters about what will be involved and how to book but all are £5 a session. Below is a timetable of what will be on offer in Term 2:

Wednesday—Gymnastics Club

Thursday—Football Club

Friday—Dance Academy

Thank you for any donations given

Have a great weekend! Mr Redman
