Dear Parents and Carers,

I can't believe we have finished Term 1 already! It has been a fantastic term and the children - many of whom have only just started school - have coped so well with all the changes to school life. Thank you all for your continued support.

Gymnastics Demonstration

On Thursday the children were treated to a fantastic gymnastics demonstration. Layla who is in Year 8 at HCC's secondary site came down to the primary school and showed what dedication and hard work can lead to. She was amazing and the children in Pre-School to Year 1 showed their appreciation with loud 'whoops' and applause!

Hopefully, Layla will have inspired some more budding gymnasts at HCCPA!

Music Lessons and Extra-curricular Clubs

Thank you to all the parents who have paid and returned slips for extra-curricular clubs. If your child would like to join a club there are some spaces left and a waiting list if not, so please contact the office and they can advise how to book.

On Monday a message was sent to all parents about how to sign up for violin or keyboard lessons. If you would like your child to have this experience please have a look through your message or contact the school office and follow the link for more information.

Food Bank

A huge thank you from me and the Hailsham Foodbank. Your harvest festival donations totaled 171.95kg of food. This is enough to provide 409 meals for families in crisis within Hailsham and the surrounding area.

THANK YOU

Have a great Half Term! Mr Redman
