Dear Parents and Carers,

This week has been about fresh starts and looking forward with optimism. It's the start of a new term. We heard the announcement that all children will soon be returning to learning in school. There is even a roadmap to lifting lockdown. Therefore, I wanted this newsletter to be about looking forward positively and with excitement too.

### New Playground Markings

This week the children in the pre-school and those accessing the critical worker provision have been enjoying our new playground markings. It will be great when all the children are in school and able to enjoy them too.

### Outside Apparatus

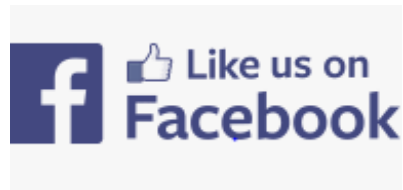

The installation of our outside apparatus has been significantly delayed by COVID-19. However, during half term I was able to meet with the surveyor and am delighted to report that by the time the children return after Easter we will have had our climbing frame, tower and trim trail installed and ready to be used by the children!

Have a great weekend! Mr Redman
