Dear Parents and Carers,

The children have been inside and outside a lot this week. It has been lovely to have the children outside enjoying the sun but at times the high temperatures have meant that we have needed to come back into the shade. In or out, the children have been excellent!

### Learning in School

This week the children have been learning all about sea creatures. They have focused on the story of the Snail and the Whale and have written some brilliant stories based on this book. I have loved reading about Whales stuck on icebergs and snails who become princesses!

### Bubbles

Next week a combination of Miss Hamilton and an increasing number of children returning to school means that we will be moving into three bubbles. This will happen on Monday morning to give the children the optimum amount of time apart before mixing the groups up. Children will be told which bubble they are in on arrival.

### Home Learning

I have seen some fantastic posts on Tapestry of children learning about Seas and Oceans. There have been some lovely photos of children exploring rock pools too and finding lots of mini sea beasts!

Have a great weekend! Mr Redman
