Dear Parents and Carers,

Another great week has passed at Hailsham Primary Academy, and more and more the talk at the school is surrounding Christmas! With only 3 weeks left until we break up, there is a lot to fit in! Next week a lot of the furniture is going to be delivered and assembled for the rest of the school and then after that the decorations will be going up!

Nativity

The children are all practising hard and enjoying their rehearsals for their Christmas Nativity! Below are a few reminders regarding the performance:

1. Please can all costumes be in school by Wednesday 4th December.
2. Your child should have brought home a copy of their lines, please practise these with your child.
3. Can all slips securing places be handed in as soon as possible.

Fruit and Vegetables

If your child orders a school dinner it will always come with two portions of 'different' fruit, veg or salad. The children are expected to eat all of one portion, as a minimum, before they can clear their plate. The children choose which type they want to eat.

This practice will now be extended to the packed lunch boxes too. To help us ensure children are eating this important part of their diet, please pack at least two portions of fruit or veg in your child's packed lunch box.

Open Mornings

Although not for your child, please let any parents or friends know that we are fully booked for our Open Morning on Wednesday 11th December and have put on another Open Morning on Thursday 12th December. Places can be booked by calling the school office.

Cold Weather

As we come into the Winter season, please send your children into school with coats, gloves and hats, all named. The children spend a lot of time outside and we don't want them getting cold and wet.

Have a great weekend! Mr Redman
