Dear Parents and Carers,

This week there have been lots of changes to routine and the learning environment and the children have been, as they always are, fantastic!

Three Little Pigs

This week the children have been learning about the story of the three little pigs. There has been a lot of role play and a lot of exploration, as the children see for themselves why the brick house really was the best!

INSET DAY

Please remember that there is an INSET day TOMORROW, Friday 31st January. The staff will be working on curriculum development.

Gardening and Outdoor Learning

Over the last 2 weeks a lot of the school's focus has been on curriculum and developing our outdoors area. We have had some fantastic ideas and are beginning to put them in place. The children will be involved in all of our developments so we hope there are some children with green fingers, as we start gardening!

If any families have any old gardening equipment that they no longer need or use the school would really appreciate any donations. We are looking for spades, gardening buckets, forks, rakes, etc for the children and adults to use. Thank you in advance for any donations.

Have a great weekend! Mr Redman
