Dear Parents and Carers,

School is different and the world is different but your children have shown that they are still the same resilient, positive, happy, intelligent and hard working children that they were when we left. They have all been fantastic this week and have made me very proud of HCCPA!

Learning in School

This week has been very different for the children but staff have tried to make the learning as normal as possible.

The children have created number-lines and played games in pairs. Mrs Chapman was particularly impressed with the children's work on doubling and halving. In English they have been reviewing sentence structure and progressing with phonics. We've also started our new topic called Amazing Animals. The children have learnt about guide dogs and bees. Today we even had a live virtual dance lesson with Mrs Ru, which was great fun.

Home Learning

While most children have been in school some children are continuing their learning from home. Miss Hamilton, who has been leading on home learning, has been very impressed with what she has seen. Children have been covering the same objectives as those in school but with adapted tasks.

Reopening—Phase 2

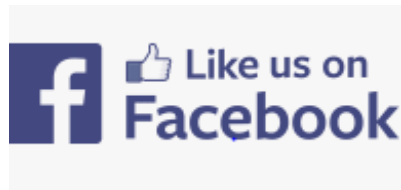

Don't forget that everyone's hard work means that we are able to move to phase 2 next week. Children will be in school all day from 8:45-15:15 Mondays-Thursdays. The school will be closed to children on Fridays to allow staff to prepare for the following week.

Have a great weekend! Mr Redman
