Dear Parents and Carers,

The children have been busy again this week, although I'm a little confused as to why there is a large container of mud in the classrooms? Apparently, the children have been pretending to be pigs!

Mr Walter from the secondary science department also brought up some Year 9 learners and completed a science experiment with the children to explore what material the Little Pigs should really have used to build their house.

Welcome Afternoon

This term's welcome afternoon will be workshop based. The children will be able to talk and show their parents and carers what they have been learning since returning from the Christmas break.

Please arrive via the main office from 2pm on Friday 14th February.

Parent, Teacher and Friends Association

PTFA

On Friday 14th February we will be holding an informal meeting for anyone who wishes to be involved with the PTFA. The meeting will be at 1pm, just before the welcome afternoon.

Gardening Donations

Thank you to all those who have been able to donate tools and seeds towards the gardening project.

If anyone else is able to donate any tools in particular they would be greatly received!

Thank you!

Have a great weekend! Mr Redman
