Dear Parents and Carers,

For all, this week will have been one of the most challenging we have faced throughout the whole Coronavirus pandemic. At HCCPA it was no different. To start the week doing all we could to have all children in school, to then still have to move to remote learning because of staff shortages and then be told to move to remote learning by the government that evening anyway, was not how we had hoped to begin 2021.

I want to say a huge thank you to all of HCCPA's community. The children have shown yet again that they are the best children a school could wish for. They have been so resilient to such a difficult start to their life in school. A big thank you to parents too! I am acutely aware of the challenges parents are presented with when the school moves to remote learning, it can be very stressful and detrimental to work and home life. Finally, a huge thank you to HCCPA's staff who have shown another level of commitment this week to doing all they can for the children of HCCPA.

### Remote Learning

We hope this week's remote learning has been accessible and manageable. The work I have seen from the children is fantastic and it has been great to see the children really enjoying their learning. Everyday we have a member of staff focusing on the remote learning for your child's year group so if you have any problems or questions please drop a message onto Tapestry and staff will reply as soon as they can. Class Teachers will also be giving children feedback on their work but I'm sure you can appreciate that they are stretched at the moment so this feedback may come on the day or it may be the day after.

Have a great weekend! Mr Redman
