Dear Parents and Carers,

What a wet week we have had at HCCPA. Our habitat area seems to have skipped the period between dry and wet where it becomes a marsh and has gone straight to being a pond!

PE T-shirts

Having spoken to parents, we have been made aware there have been some issues with the PE T-shirts. These have been shared with the uniform supplier and they are acting swiftly to resolve the problem.

Alcohol Gel

We have made the decision that on returning to the classroom after playtime and lunch the children will now use sanitising hand gel instead of washing their hands with soap and water. The children will continue to wash their hands on entering the school, before playtime, before lunchtime and before leaving school.

If you do not want your child to use hand sanitiser, please inform your child's class teacher of the reason.

Term 1—Welcome Event

I am disappointed that unfortunately this term's welcome event will not be able to happen due to current government guidelines.

For those new to the school, on the last day of term we usually invite parents into school for a welcome event where the children share their learning; this could be a short show or a workshop.

We are looking into the possibility of completing virtual workshops in Term 2 so will keep you posted as this progresses.

Christmas Videos

This year again, due to government guidance, we will not be able to have visitors into school for Christmas events. However, we will not let this stop our Christmas shows and will still be putting on a Pre-school Christmas concert, the Reception nativity and a Year 1 Christmas concert too.

To ensure parents are able to enjoy these lovely memories, we will be videoing them and posting them on HCC's YouTube channel. However, if we do not have image permission for your child we will ensure they are not in the video.

Have a great weekend! Mr Redman
