Dear Parents and Carers,

What a fantastic first week we have had at Hailsham Primary Academy. Your children have been amazing in their first days of school. All have settled in beautifully and shown exactly the attributes we would expect from a learner at Hailsham Community College.

Learning through Play

All week the children have immersed themselves in play. They have tested all our brand new equipment out and ensured that the balance bikes, mud kitchens, water trays and more, are tough and robust!

Baseline Assessments

Next week, the children will begin their baseline assessments, which will give an early indication of where the teacher's need to focus. Don't worry, the assessments are designed so that the children won't know that they are doing anything different to normal.

Wrap Around Care

Next week breakfast club begins, this can be booked using ParentPay.

We are still aiming for After School club to start the week beginning the 23 September but we are having some unexpected issues, which we hope to resolve next week.

Have a great weekend! Mr Redman
