Dear Parents and Carers,

Another great week at Hailsham Primary Academy. The children are working so hard and learning so much while having to adapt to what is an ever-changing situation in the world.

Remembrance Day

The children have been learning about Remembrance Day this week. They have been talking about their own family history and whether they had relatives who served in the armed forces.

This is an excellent video from the BBC for helping younger children understand what it's all about: <https://www.youtube.com/>

Maths Week

This week we have celebrated and taken part in Maths Week. Miss Hamilton has organised all sorts of fun Maths for the children to do in school and at home too. Thank you to all those families who completed Maths Challenges.

In class the children have been taking part in Maths quizzes, making Maths hats, solving Maths problems and much more!

INSET Day

Just a reminder that next Friday, 20th November, is an INSET day so children will not be in school.

Individual Child Photos

Due to lockdown restrictions, children's individual photos will be taken on 4th December, as long as guidelines allow.

review us on Google

Hailsham Primary Academy now shows on Google Satellite Imagery
