Dear Parents and Carers,

As we go into a second national lockdown please remember that schools will be open and will do all we can to provide your children with some normality. If you are having any difficulties at home which the school may be able to offer some help with, please contact us.

Extra-curricular clubs and wrap around care

This week the children started their after-school clubs. The children involved had a fantastic time! Disappointingly, as my letter to you yesterday explained that this will just be a taster because of the lockdown. However, I know your children will be very excited about the clubs restarting.

Please remember that Breakfast Club and Ocean Club will continue to run through lockdown.

Virtual Open Evening

This time of year is when parents are normally looking at primary schools deciding which school they would like their child to attend. This usually involves visiting schools for open evenings. This has not been possible this year so instead we have created a virtual open evening and tour for those parents to watch.

The video can be found on the HCC website. If any parents you know would be interested in watching please direct them to it and if you would like to watch yourselves, you may spot one of your little ones in the video!

Hand Sanitiser and Lip Balm

Please may I ask parents to not send children in with either hand sanitiser or lip balm.

The use of hand sanitiser is something we monitor very closely, as they can be dangerous if they are ingested.

We are also sorry to say that lip balms cannot come into school currently because children have a tendency to share them, which could spread the virus. Please apply it to your children before they come into school.

Have a great weekend! Mr Redman
