

The Hailsham Way

'Be the very best you can be!'

1. BE READY

Arrive on time with the correct equipment and uniform. Please sit in your seat and begin the 'Do now' activity.

2. BE RESPECTFUL

Respect yourself, others, and our environment. You can do this by being kind, listening and helping others.

3. BE WORKING

Always try your best in lessons. Be curious and willing to work with your peers.

4. BE SAFE

Follow instructions, and look out for others. Report any unkind behaviour to an adult.
